

StoryIQ

Delivering with Confidence

Present engaging stories with confidence.

Data. Well told.

Course Overview

Bring your insights to life with confident, compelling delivery.

Even the best presentation can fall flat without powerful delivery. *Delivering with Confidence* helps you present your insights in a way that builds trust, holds attention, and drives action.

This hands-on, interactive course focuses on building your credibility, enhancing trustworthiness, and communicating with clarity and charisma. You'll leave with practical techniques to strengthen your delivery, handle Q&A with ease, and facilitate discussions with data.

Key Outcomes

By the end of this course, you'll be able to:

- **Establish credibility through confident delivery.** Use body language, tone, and presence to build trust and communicate insights with authority.
- **Engage your audience** and apply interactive strategies to keep attention focused and make your story resonate.
- **Craft compelling talking points** to reinforce your message and drive action.
- **Avoid presentation pitfalls** by preparing for questions and disruptions. Anticipate challenges, stay composed, and use tech to stay on track.

Course Outline

Credibility

Trustworthiness

Delivery Tips

Introduction

- What challenges do you encounter when presenting?
- Compare different delivery styles and discuss non-negotiables for any presentation.

Credibility
